1. In Waldenburg (Silesia) there is one armored division and a large military hospital. The Russians have established a community center there for their troops. Informant also stated that 14 coal mines in the area are working for the Russians.
2. The 2nd Army Headquarters, the 55th Motorized Division, and 50^{1/2} Infantry Division are located in Bad Charlottenbrunn.
3. Four km from Charlottenbrunn in Zeinsteide (Bialy Kamien) there is a large armored unit. Informant also spoke of a field full of Katyushas (truck-mounted rocket projectile), and an airfield that contained fifty fighters and bombers.
4. A gasoline and ammunition depot is located in Bad Sulzbrunn to supply the above mentioned airfield.
5. The Russians have approximately 600 planes in Dresden. Old German planes are repaired there and used by them.
6. An Officer's School, staffed by Russian instructors, has been established within the last two months in Demblin, Poland, which is near Warsaw.
7. The Kruppwerke, formerly located in Plaue-Werke-Markstadt, were transferred to Russia and have been rebuilt in the Ukraine factory KIRIT (SAKOD IN KIROV).
